**REPORT ON THE COOKING COMPETITION-SCOUTS**  
**AND GUIDES.**

*"What the hand does, the mind remembers."*

The students of the Scouts and Guides of The Bishop's Co-Ed School, Undri, donned their 'Chef Caps' to exhibit their culinary skills in the 'Cooking Competition' held on 9<sup>th</sup> August, 2023.

Children participated with full zeal and enthusiasm as they doled out their nutritious yet delectable delicacies. The contestants showcased their culinary skills by preparing a variety of dishes, ranging from savory items to decadent desserts. The presentation of the dishes was impeccable, with each dish looking like a work of art.

Our Headmaster, Mr. Russell, graced the event with his presence. Mr. Russell engaged with the students, tasted their dishes, and provided insightful feedback to the students. His words of appreciation and encouragement resonated deeply with our budding chefs, leaving an indelible mark on their culinary journey. The children were overjoyed when Sir tasted and appreciated the dishes made by them.

The judging panel comprised of Mrs. Ramtirthkar, Mrs. Samson and Mrs. Tandon. The participants were evaluated on basis of various parameters. Every team gave a tough competition to the others. **Patrol 3** from Scouts and **Patrol 1** from Guides were declared winners of the competition.

The whole event was managed by Mrs. R Benjamin along with the entire Scout and Guide department. This activity induced the spirit of team work in the children and gave them a deep engaging practical experience. We look forward to conduct more such activities in the future.

As it is rightly said,

***Tell me and I forget,***

***Teach me and I remember,***

***Involve me and I learn.***
