## JUNIOR SCHOOL CONCERT

### 'UP, UP AND AWAY'

'Up, Up and Away', an adventure story adapted from a Pixar Animated Movie has been a wonderful journey for us all at The Junior School. 26<sup>th</sup> August 2022, the evening was buzzing with excitement, and it was one that would be remembered, for a long time by those who were in attendance.

The troupe of 242 students from classes 3,4 & 5 were extremely enthusiastic and enjoyed being a

part of this magnificent stage drama.

Aarya Dindokar who played the lead role as Karl Fredrickson and Rounak Sharma as Russel, the wilderness explorer enthralled the audience with their exemplary acting prowess, and scintillating expressions.

Sharvil Koshti, the narrator was an excellent story teller who also stole the show with his performance leaving no

stone unturned taking us through the show so seamlessly. The other characters too performed with immaculate diction and expression.

The Director, Mrs. U Mittal assisted by Mrs. U Basrai and Mrs. Kale were instrumental in bringing out the best from the boys. Mrs. A Moloo ably assisted by Mr. C Phasale and Mrs. D Diwate designed and created all the props and the backdrop which brought the stage alive. The house flying above the audience was a sight to behold. It left everyone in the audience awe-struck.

The choir group, trained by Mr. A Barnabas assisted by Mr. S Samai stole everyone's hearts with their unblemished chorus singing.

Mrs. S S Peters, Mrs. M More and Mrs. R Mascarenhas were the choreographers, who trained the little ones with great passion. The foot tapping dances performed to live singing and recorded tracks were a visual treat indeed.

The bright and colourful costumes procured under the supervision of Mrs. M Khan, Mrs. M Bhatia and Mrs. S Massih was in sync with the set designs and they

were truly exquisite. The immaculate technical assistance in terms of lights and sound managed by Mr. A J Eates, Mr. S Roberts and Mrs. K Buhariwalla most valuably contributed towards the success of the play.

The unconditional support and guidance from our supervisor Ms. M Barsay in every feature of the play was truly treasured by us all. Ma'am's vast experience helped us fine tune many aspects of our play.

Mrs. M James and the entire production team, especially the stage managers and the support staff were applauded as they were the backbone of the production. The curtain call of the play was cheered by one and all. A visual treat created by Ms. P Nargide to whom we are thankful.

Our Principal, Mr. Joel Edwin applauded and praised the efforts of all the student and the teachers. Sir, particularly commended the overall excellent teamwork.

We are ever thankful to you Sir, for your steadfast support and guidance that helps us take up new challenges and bring out the best in our students.
