

THE BISHOP'S SCHOOL, CAMP
PRE-PRIMARY SECTION

The Pre-Primary Section at the Bishop's School, Camp gathered together in the Lorna Robert's Auditorium on the 16th of August, 2023 at the allotted time slots to acknowledge and strengthen family bonds on 'Family Day'.

Family Day is celebrated to give an opportunity to the families of our Pre-Primary children to spend time together cultivating love, communication and co-operation.

Mrs. Shama Tinwala, the Coordinator for the Pre-Primary Section warmly welcomed our Principal, Headmaster, Headmistress, the parents and the children.

The programme commenced with a short prayer and address by our Principal, Mr. Shayne McPherson.

Mrs. Olivia Southwell, the Pre-Primary Coordinator for the second session then said a special prayer for all the families gathered.

This was followed by a PowerPoint Presentation along with a small talk on the importance of Family. The children were then asked to give a tight 'Teddy-bear' hug to their parents.

A few children came up on stage and performed an action song, expressing their love for their families. The parents were delighted to watch their little ones on stage.

Next was the announcement of the spot prizes. The parents enthusiastically participated and won themselves prizes for the same. This was followed by a competition named- 'Family's Got Talent'. The parents of the selected children via lucky draws were requested to come up on stage as a family and enact- 'Like their child', 'Their child's favourite Cartoon Character' or to recite and enact a nursery rhyme together.

The Heads of our school judged the competition and awarded prizes to the winners.

"Family is Laughter, Love, Happiness".

This was followed by a lighthearted group game- 'Who's Most Likely To....' where the compere announced certain funny situations and the audience were to stand up and wave their hands if they believed they related to the same.

Next was a foot-tapping action song played on the screen and the parents and children had to follow the same. There was a lot of excitement in the air as the children and their parents were kept on their toes during the course of this activity. I must make a mention here that the teachers also enthusiastically participated.

"Family is like music, some high notes, some low notes but always a beautiful song".

The programme concluded with the Headmistress expressing her gratitude to each and every parent for having set aside their precious time to value and strengthen their family ties.

Vote of thanks was proposed following which the teachers distributed personalized heart-shaped mobile hangings and food packets to the children.

The children along with their parents moved to the basement area to click pictures at the photo booths specially created for the day.

It was evident that the programme was successful from the wide smiles on the children and their parents' faces.

This celebration helped create lasting memories of the moments spent together.

Mrs. Anita Calmiano

Assistant Teacher (Pre-Primary Section)
