

## HINDI ELOCUTION COMPETITION - JUNIOR SCHOOL

**“Poetry is a form of literary art in which language is used for its aesthetic and evocative qualities in addition to, or in lieu of, its apparent meaning.”**

The Hindi Elocution Competition for Classes UKG to 5 was held on 14<sup>th</sup> September 2023. This day is celebrated every year as Hindi Diwas and hence such a competition was organized for the students with the aim of developing an interest in the Hindi language and to foster a sense of belonging towards our national language. Elocution is also a medium through which students learn the art of public speaking and develop self-confidence.

The participants prepared and presented interesting poems from varied genres written by several famous Hindi poets. Smart usage of attractive props enhanced the overall presentation. The audience found the programme captivating as well as inspiring. The judges were full of praises for the participants and appreciated the effort of the parents too.

This endeavour bore fruit due to the constant support and encouragement provided by our Headmistress, Mrs. Christina Dunn.
