**GRANDPARENTS' DAY CELEBRATION-15<sup>th</sup> SEPTEMBER ,2023**

***"There is nothing more wonderful than the love and guidance a grandparent can give his or her grandchild." Edward Fays***

Grandparents' Day was celebrated on 15<sup>th</sup> September, 2023 to honour the adorable bond between grandparents and grandchildren.

It was overwhelming to see the happiness on the faces of the grandparents as they were welcomed with a small favor pinned on to them-coloured with love by their grandchildren.

The programme began with our Headmaster Mr. Christopher Gaynor welcoming our enthusiastic grandparents, followed by a special prayer by our Coordinator Mrs. Shama Tinwala.

A PowerPoint presentation along with a talk on how grandparents are special and the incredible contributions they make to the lives of our little children, brought forth the importance of the need to honour them with respect and love always.

***Dancing with the feet is one thing, but dancing with the HEART is another.*** These words were proved to be true as our little children danced happily to the song-Grandpa, Grandma, we love you. The performance was thoroughly enjoyed by one and all. They surely stole the hearts of all present.

The excitement with which the grandparents looked for the star on the favor pinned on to them, for the spot prize, was thrilling.

ENERGETIC and ENTHUSIASTIC are the words that well describe the grandparents as they participated in the games -Can You Guess, Are You Puzzled, Crossing The River Jordan and Bombing the City.

It was a pleasure listening to a few grandparents as they shared their experiences of being a grandparent, reliving their childhood and also reviving their memories of being a parent. Some proudly shared the achievements of their grandchild.

Looking at the zeal with which the grandparents participated in all that was planned, it was only right to get them all onto the floor with foot tapping music being played and a video showing them the dance steps to be followed.

The grandparents truly proved to be dynamic and spirited as they hit the floor with joy on their faces.

The success of such an event can only be achieved with teamwork. Spearheading the team was our Principal and our Headmistress, who always motivate and encourage us at all times. The enthusiasm and efforts put in by the teachers helped in executing yet another successful event.
