TEACHERS' DAY OUT

(Teachers Day Celebration 5th September 2022)

"The influence of teachers extends beyond the classroom, well into the future."

-F. Sionil Jose

Great Teachers do it all!

Teachers Day is observed on the 5th of September every year in India, commemorating the birth anniversary of Dr. Sarvepalli Radhakrishnan. The last two years had us all celebrating online and thus, this years celebrations felt more special. There is no doubt that being a teacher is a noble profession that deserves an equal amount of love and respect as any other profession. Teachers Day is a reminder of the role that teachers play in nation-building by guiding and educating the minds of our youth and this day gives us that opportunity to shower our teachers with respect, gratitude and reverence.

This year, it was a- teachers' day out for all of us. Our Principal, Mr. Julian Luke had arranged a day out for all the teaching faculty at the Monteria Resort, situated in Karjat.

The day began early for all of us, as early as 6.30 a.m but that did not deter the upbeat mood and high spirits. All showed up on time in their picnic attire ready to take on the adventures of the day. We left for the resort in our respective buses and reached the resort just in time for breakfast. A healthy, nutritious breakfast was laid out for us on arrival.

Once breakfast was over, everyone made their way towards the water park which had several high water slides for all to enjoy. The gents staff went to the swimming pool and enjoyed a game of pool volleyball.

Later during the day, a session of rain dancing was arranged for our teachers. We all know the positive effects of music therapy and music being a great stress buster, it would be difficult to say that the session was not therapeutic and rejuvenating.

A buffet style lunch was served at sharp 1:00p.m. It was a well organized buffet and the food was delicious and satisfying, after all those adventurous activities and dancing.

After lunch, a quiz was arranged for the teachers based on bollywood songs and movies. The teachers were divided into four teams according to their bus numbers and the session of singing and guessing began. Most of the songs were from the latter years and hats off to all the teams for singing and answering with so much enthusiasm.

Tea and snacks was served at 4:00 pm and the time drew near for us to leave the resort. We all gathered for a final group photograph and then moved towards our respective buses to begin our journey back to school.

A memborable day, full of fun.

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge."

~Albert Einstein
