

## REPORT ON HINDI DIWAS

On the occasion of Hindi Diwas, our school celebrated a cultural program on September 14, 2023, in the Lorna Roberts Hall. Boys from classes 6th to 10th actively participated in this event. The program commenced with Deep Prajwalan and Ganesh Vandana. Informative sessions about Hindi Diwas were conducted, and a famous speech by Swami Vivekananda was delivered.

A delightful Hasya Kavita titled "Rail ka Dabba" entertained the audience. Various events including poetry recitations, musical performance using a Djembe, Nukkad Natak (street play), and Hasya Kavi Sammelan (comedy poetry gathering) were organized, much to the enjoyment of everyone present. A special mention goes to the captivating dance and song performance of "Lehra Do," which received widespread appreciation.

The program was a source of enjoyment for all attendees, and the credit goes to our Principal, Mr. Shayne McPherson, Headmaster, Mr. Christopher Gaynor and the Coordinators, who played a pivotal role in facilitating and supporting these activities. Their guidance and support are highly commendable.
