### REPORT ON POSTER MAKING ACTIVITY

The Poster Making Activity for **class 6** was held on **22<sup>nd</sup> July, 2023**. The topic for the Poster Making Activity was **“Kargil Vijay Diwas.”** Kargil Vijay Diwas is celebrated across the country on 26<sup>th</sup> July every year. The day commemorates the victory of the Indian armed forces in the Kargil War fought against Pakistan. The day is observed to pay tribute and to honour the bravery and sacrifice of the soldiers in the war of 1999. This activity was mainly conducted to instill patriotism in children. All the children participated in this activity with great zeal and enthusiasm. They made beautiful posters depicting the topic. The slogans used in the posters had a great impact on the minds of the children. This activity was a good learning experience for the children. Not only were the children able to enhance their creativity, but at the same time they were enlightened about the sacrifice of the brave soldiers who gave up their lives for their motherland.

The Poster Making Activity for **class 7** was held on **28<sup>th</sup> October, 2023**. The topic for the Poster Making Activity was **“World Food Day”**.

World Food Day is an international day celebrated every year worldwide on October 16 to commemorate the date of the founding of the United Nations Food and Agriculture Organization in 1945. It was established to raise awareness about world hunger and encourage action to combat it. This activity was mainly held to raise awareness among the children regarding the importance of food in our lives and reducing the wastage of food. With the help of Power Point Presentations, the students discussed the methods which could be implemented to eliminate hunger all around the world. The benefits of eating healthy food were also emphasized. All the students of class 7 made impressive and creative posters on this topic. It was an immensely motivating and good learning experience which the children enjoyed thoroughly.

The Poster Making Activity for **class 8** was held on 16<sup>th</sup> September, 2023. The topic for the Poster Making Activity was **“World Environment Health Day.”** The 26<sup>th</sup> of September 2023 marks the 12<sup>th</sup> World Environmental Health Day, which is observed to raise awareness about the significance of environmental health, and to control and prevent infectious diseases for healthier communities. This year's theme is “Global Environmental Public Health: Standing up to protect everyone’s health each and every day,” which is a clarion call on governments and organizations to play their part to protect the environment and make communities healthier places for people to live and work. All the students of class 8 participated in this activity with great zeal and enthusiasm. They made incredible posters to raise awareness about the significance of environmental health. Rounds of ‘Surya Namaskar’ were practiced in the auditorium by our young enthusiasts of class 8.

This activity not only improved their creativity, but at the same time they were motivated to follow a healthy lifestyle. Indeed, it was a good learning experience for the children and they enjoyed this activity thoroughly.
