

THE BISHOP'S SCHOOL CAMP

JUNIOR SECOND SESSION

CLASS 1 TO 5

THE ENGLISH ACTIVITY CLUB

SEPTEMBER 2023

Learning is always a pleasure and it is everlasting especially when things are learnt in an exciting and entertaining manner. This was made possible through the various English Club activities organised in the Junior School Second Section. Classes 1 to 5 sailed through the various activities conducted in the month of September 2023.

Children were given the opportunity to practice English in a relaxed, informal environment filled with creativity and practicality. Simple everyday vocabulary was introduced in a play-way method with games like: Chinese Whispers, Word Puzzles, Enact the Character, Folded Rhyme and Finish the Story Game. Children came out with the craziest, funniest and most imaginative lines and stories, thus encouraging imagination and enhancing enthusiasm to voice out their dreams and creative thinking.

Children also came out and narrated different stories of their own choice. They were encouraged to use better vocabulary and guided to speak with expression, proper intonation and pronunciation. Videos of daily conversation were played and children were asked to comprehend and answer questions asked based on the videos shown.

The children responded extremely well to all the activities. Towards the end of the month, they showcased tremendous improvement and over all confidence in speaking English. The English Club Activity fostered deep appreciation and love for the Language.
