REPORT ON FIRELESS COOKING ACTIVITY  
FOR CLASS-4

Greetings and Good Wishes!

Our first activity for the academic year 2023-2024 was 'The Fireless Cooking Activity'. This activity was conducted in class on Tuesday, 04<sup>th</sup> April, 2023. Each section of Class-4 was given a list of ingredients to be brought from home.

Many students dressed up as chefs. They put on their aprons and fancy chef caps brought by them. The ingredients were assembled and put together in class by the students with the help of the teachers to prepare and present their snacks for this activity.

**Class-4A** – A breakfast that can keep you full until lunch time, Biscuit Sandwich, was prepared using ingredients like biscuits, cheese, tomatoes, sprouts etc. Delicious biscuit sandwiches were prepared by the students.

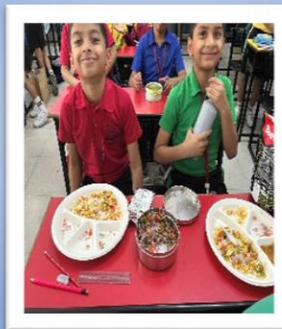

**Class-4B** – A perfect day meal, Healthy Chaat, was prepared using chaat puri's, tomatoes, white chana and vegetables. Students enjoyed preparing the chaat and sharing them with their friends.

**Class-4C** – Vegetable Mayo Sandwiches were prepared using vegetables of the student's choice mixed with mayonnaise. The sandwiches were beautifully decorated and presented by the students.

**Class- 4D-** Bhel Puri, a popular Indian dish was prepared by the students using puffed rice, potatoes, tomatoes, chutneys and raw mangoes. The students enjoyed preparing the snack and devoured them without delay.

**Class-4E** – Prepared a quick, juicy, healthy and delicious Fruit Salad, using seasonal fruits of the student's choice and dry spices.

It was a fun-filled bonding time between the students and their teachers.
