THE BISHOP'S SCHOOL, CAMP
JUNIOR SECTION
CLASS 5 –
FIRELESS COOKING ACTIVITY

"Cooking with kids is not just about ingredients, recipes, and cooking. It's about harnessing imagination, empowerment, and creativity." – Guy Fieri

The above-mentioned quote by one of the world's most recognizable and influential culinary stars was put into action at The Bishops Junior School, Pune wherein the students of Class -5 exhibited their culinary skills in a "Fireless Cooking Activity" held on 4th April 2023.

Life skills like cooking come quite handy as one grows and begins their journey of life. At Bishops, the focus being on the holistic development of every child, this activity was conducted with an aim of introducing some basic life skills such as creativity, decision-making, problem-solving and to involve them in an enriching sensory experience by introducing them to a variety of healthy food. This activity also helped hone their socio- emotional, cognitive, physical, and fine and gross motor skills.

Donning their colourful aprons and chef hats, the boys participated with full zeal and enthusiasm as they doled out nutritious, yet delectable delicacies assigned to each section:

Class 5 A- Monaco Biscuit Sandwich

Class 5 B- Vegetable Burgers

Class 5 C- Nachos- Sev Puri Chat

Class 5 D- Sandwiches

Class 5 E – Fruit Salad

During the activity, our little ones felt quite accomplished as they enjoyed making different savouries. They were highly appreciated by the teachers for the efforts they had put in to make and present their dishes, which surely was a feast for the eyes as well as the palate.

All in all, it was a fun-filled day as the activity not only provided a platform for the students to foster their creativity and decision-making skills but also helped them explore their hidden talents and discover new areas of interest and drive home the message – *"that every little thing in life is important just as every ingredient in the dish."*
