

**THE BISHOP'S CO-ED SCHOOL, UNDRI
(JUNIOR COLLEGE)**

REPORT ON THE ACHIEVEMENTS OF ISHAAN SARANG DESHMUKH

“Champions are made by their passion and persistence.”

Beaming with pride, The Bishop's Co-Ed School, Undri takes boundless pleasure to vaunt its literary prodigy, **Ishaan Sarang Deshmukh** of Class XII A Science. The burgeoning artistic genius secured the **first position in the regional level** for Creative Writing competition held by ASISC Literary Events 2023 and qualified for the national level.

He stands out for his sensitive and resonant use of language. One is continually brought up short a felicitous turn of phrase or by the dazzling appositeness of a word. He uses to great effect a matrix of multiple points of view in which memory and history freely interpenetrate.

Ishaan's invaluable insight into the craft of writing, not as storytelling but as speaking the self into existence puts him into an unassailable position in the illustrious 'Albert Barrow Memorial All-India Inter-School Creative Writing Competition 2023'. **His essay was selected as one of the ten best essays in the country.**

Amid the gloom of the virtual space, Ishaan is a shining beacon of hope for the literary realm. Furthermore, he is described as a brilliant and gifted student academically, by his educators. To this consummate artist who wears his heart on his shirt sleeves as it were baring all his joys, hopes, and the burning ambition to shine as a scientist and a dawning essayist only about to flutter his wings, more laurels as his brilliant colours soar across the sky.
