

THE BISHOP'S SCHOOL, CAMP
REPORT ON INTER CLASS SPELL BEE COMPETITION

2023-2024

CLASS – 1

Spelling is important because it aids in reading. It helps cement the connection that is shared between sounds and letters. Being confident at spelling leads to confidence in all the aspects of literacy. Keeping the same in mind an Inter Class Spell Bee competition for class 1 was conducted on 12th April, 2023 at the Lorna Roberts Hall. The aim of the competition was to give students a platform to learn different spellings with their correct pronunciations and subsequently, enrich their vocabulary.

The Spell Bee Maters were Ms. G Henriques, Mrs. D Jestin and the presentation was taken care by Ms. B Are.

We at the Bishop's Junior School believe that every event should begin with a word of prayer. Therefore, the event started by invoking God's blessings.

The competition had seven rounds as mentioned below.

1. Mind scribble
2. Spell the plural of the words
3. Compound words
4. Memory tentacles
5. The middle monsters
6. Mind seek drill
7. Rapid fire

As the rounds progressed, the students had to spell words at increasing difficulty levels. The competition was very exciting and challenging. The words were chosen from various categories such as animal kingdom, names of fruits, countries, sports etc. The participants showed great enthusiasm and skill in spelling the words and the audience cheered them on. The competition was a success, and it showcased the talent and hard work of the students. The spell bee class competition was a fun and educational experience that encouraged the students to improve on their vocabulary and spelling skills.

The winners of the competition were announced at the end of the final round by our Headmistress Ms. M Barsay.

Kudos to all the boys who actively participated in the true spirit of Bishops!
