

The Bishop's Co-Ed School, Undri

A REPORT ON CLASS VII PICNIC

Having fun is not a diversion from a successful life. It is a pathway to it" We at Bishop's truly believe in this and on Tuesday, the 17th January 2023, our school organised a picnic at Imagica, the entertainment amusement park at Khopoli.

Students reported to school with excitement and enthusiasm at 7.00 am in the morning to their respective classes where attendance was taken by the class teacher. The teacher instructed all the students on the do's and don'ts to be safe during the picnic. A special prayer was recited by Mrs. Khandelwal after which we started for our picnic at 8.30 am. Our Headmaster, who after verifying our headcount, saw us off to enjoy the day at Imagica.

The students sang and danced to music of their choice in the bus. They were provided with cake, biscuits, chivda and juice in the bus. We reached our destination at around 11.30 am. Students were very excited to enter the amusement park. Students were then taken to the dining hall for a sumptuous breakfast of upma, idli, sambhar and chutney. They were then accompanied by a volunteer from Team Adventure, who helped them throughout the day to complete the different activities planned for them. Students enjoyed the different roller coaster rides like Nitro, Gold Rush, Deep Space, Scream machine, Dare to drip, Splash Ahoy, Bumper boats, China wall, Cup and saucer and many more.

Veg fried rice, veg Manchurian and Pav Bhaji were served at 2.00 pm for lunch followed by the much awaited chocolate ice cream. After lunch, students continued with the indoor rides such as 'Salimgadh', 'I for India', 'Mr India', 'Rajasaurus', and many more.

The students and teachers thoroughly enjoyed their day at Imagica. Our fun day ended with students and teachers boarding their respective buses by 4.30 pm. Each and every student enjoyed their trip thoroughly and had an everlasting smile till the end of the day. They carried back a lot of happy and everlasting memories with their friends.
