(REPORT ON CLASS PICNIC)

CLASS: VI
VENUE: MAGIC MOUNTAIN!

"Every picnic is a chance to create beautiful memories."

There are some exceptional days in an academic year that our students look most forward to and 'Class Picnic' is one of those days. The students spend weeks planning, preparing and anticipating this day doing nothing by halves!

This year, on the 17th of January, 2023, the students of grade VI embarked on a thrilling outing to Magic Mountain arranged by The Bishops Co-Ed School, Undri allied with TEAM ADVENTURE. The day commenced with a word of prayer by the middle school co-ordinator, Mrs A.Khandelwal, after which the students excitedly boarded the bus at 8:30am. The students enjoyed some savoury snacks in the bus all while singing merrily towards their destination.

Upon reaching the adventure park, the appetizing breakfast served as a quick energy boost for the students who were champing at the bit. The park is nestled in the lush green hills of Lonavala and offers numerous thrilling adventure rides suitable for all age groups. There are multiple adventure sections like High Thrill Rides, Mid Thrill Rides, Family Thrill Rides and Kids Rides. The Z-Force, Turbo Force, Giant Frisbee, Sky Screamer, Top Spin and Water Mania were some of the rides that won hearts!

The students had delicious lunch surrounded by the soothing breeze of the Zen Forest. Post lunch, the kids went back to the merriment and thrill. After having spent the day frolicking in the park, enjoying the various rides, eating scrumptious meals and playing exciting games, the students contentedly boarded the bus at 4:30pm to head back home.

The journey back was equally joyful as the students sang and enjoyed yummy snacks that TEAM ADVENTURE showered us with. This day was thoroughly enjoyed by all the students and teachers alike. Indeed! Every picnic is a chance to create beautiful memories!
