REPORT ON SCHOOL PICNIC

TO MAGIC MOUNTAIN AMUSEMENT PARK – 2023-24

CLASS: IX

Learning is an ongoing process and all the experiences result in one or the other form of learning. A recreational picnic was arranged for the students of grade IX on 19th January 2024, Friday. The venue was Magic Mountain, Lonavala. They were accompanied by teachers and volunteers of the Adventure team.

The students reported to school at 7.15 am. The class teachers took the attendance of the students, and the morning Prayers were led by the Coordinator, Mrs. Kurian. A total of 331 students set out in 8 buses accompanied by their teachers for a fun-filled day at Magic Mountain. Students were all set to have a fantastic day out with their friends and teachers. Snacks were served on the bus. The travel gave the students some personal time to be with their friends before reaching the venue.

Our students along with their teachers enjoyed themselves in various thrilling rides like Z-force, Sky Screamer, Top Spin Suspended, and many more

To satisfy the hunger pangs, a sumptuous lunch was served at 1.00 pm. A little after lunch, our students went in for certain indoor rides such as rushing and dashing cars in Rush Hour, 5D theatre, shooting water guns in Water Mania, etc.

The special day ended with some snacks on their return journey. We reached the school at 6.30 pm. Everyone had a big smile on their faces indicating they had

great fun. The students were very thankful to the Principal and the Headmaster for arranging such a memorable and fantabulous day out. All the students reached home safely and with a lot of joy and excitement.
