TREES ARE THE ROOTS OF OUR EXISTENCE

**REPORT ON SUPW FOR CLASS XII:
TREE PLANTATION DRIVE AT ANANDVAN**

"A nation that destroys its soils destroys itself. Forests are the lungs of our land, purifying the air and giving fresh strength to our people."- Franklin D. Roosevelt

As a part of ISC Curriculum, Socially Useful Productive Work (SUPW), The Bishop's Co-Ed School, Undri's Junior College organised a "TREE PLANTATION DRIVE" on Friday, 8 July for the students of Class XII in Phase IV of Anandvan Foundation. A new milestone of planting 500 trees was completed on this day by the students accompanied by the team and volunteers at Anandvan Foundation. The Event was conducted under the initiative of the 75th Azadi ka Amrit Hariyali Mahotsav celebrated by the Forest Department of Pune along with the Anandvan Foundation wherein plantation drives were held in 75 different Anandvan Phases simultaneously.

The students planted various saplings including Ashoka, Neem, Belpatra, Saptarni, Kadamb and Kachnaar. The students participated in the drive enthusiastically and helped each other to plant the saplings.

The Chief Conservator of Forest (CCF) Mr.N.R.Praveen and Indian Forest Service officer (IFS) Mr. Rahul Patil and other forest officials enlightened the students with valuable information on various topics like - "Why one needs to plant at least fourteen trees throughout his lifetime".

The forest officials were convinced that such little steps taken together by the students will surely help in fostering positive mental and social health amongst today's youth. This activity established connected the students with the environment and overall well-being of the community.
