

**THE BISHOP'S CO-ED SCHOOL, UNDRI**  
**REPORT ON CLASS PICNIC TO IMAGICA ENTERTAINMENT AMUSEMENT**  
**PARK – 2022-23**  
**CLASS: VI**

---

All work and no play makes Jack a dull boy. As the adage goes, a class picnic was organized for the students of Grade 6 on the 16th of January 2023, Monday, to the Imagica Entertainment Amusement Park, situated at Khopoli in which about 335 students joined in. The excitement and happiness of our students knew no bounds.

Imagica is a theme entertainment destination featuring novel experiences, unique characters from the fairytale world, innovative and unique attractions, thrilling rides and shows, meeting spaces, along with certain major events.

The students were all set to have a fantastic day out with their friends and teachers. They reported to school at 7:15 am to their respective classrooms in building 4. Soon after the attendance, Mrs. Khandelwal, our Middle School Coordinator, led us in a word of prayer. The entire team of students and teachers left the campus at around 8 a.m. in their respective buses that were arranged by the Team Adventure.

The students were served with light snacks during their trip and after reaching the venue, they had proper breakfast which was delightful indeed.

Every bus had a volunteer from the Team Adventure, who escorted students to several rides and ensured that they participated in all other exciting activities especially planned out for them that day. Our students along with their teachers enjoyed themselves in the roller coaster rides like Nitro, Gold Rush, Deep Space and many more. To add to the fun, there were several characters from the fairy tale world who came alive.

To satisfy the hunger pangs, a sumptuous lunch was served at 2.00 pm followed by the delectable ice cream which was absolutely irresistible. A little after lunch, our students went in for certain indoor rides such as 'Salimgadh, I for India, Mr. India, Rajasaurus etc.

Finally, after a fun-filled day, it was time to depart the venue at 5.00 p.m. On their journey back to school, our students were served finger-licking McDonald Burgers while in the bus by the volunteers of the Team Adventure.

Our students were thankful to the Principal and the Headmaster for arranging a memorable and fantabulous day out, hoping for such exciting picnics in the near future as well.

They also brought back with them wonderful memories, besides the many souvenirs, cherishing all the fun and excitement. Their gleaming faces were a testimony, and they all went back home safely with their parents.
