ANOTHER FEATHER ADDED TO THE CAP BY PURAB DUGAD!!

CLASSIC SLALOM EVENT MARCH 2023 (SKATING)

"Only he who can see the invincible can do the impossible."- Frank L. Gaines

As it is said 'it runs in the family', Purab Dugad of class VI E, following his elder brother, is an aspiring Inline Freestyle Skater representing India on an International platform. He participated in the Classic Slalom Event at an International championship for India and has bagged a Bronze medal at the 7th ASEAN championship which was held in Singapore from 11th to 13th March, 2023.

Purab has a mission to register his country's footprint to the top spot in the field of sports and wants to set an example for millions of young athletes to actively participate in various sports to bring glory to his country. Such high aspiration at such a young age is a classic example of focused mind with grit and determination to achieve high goals.

The young athlete has been a National medalist for the past two years and progressed to become a National Champion this year. He has a clear vision to reach the top and win Gold medal for India in the upcoming National and International competitions.

Purab had proved that skills and talents are gifted but it takes fine tuning to bring the refined version of oneself. The Bishop's School, Undri is proud of you and wishes you all the best for the future.
