

## CONCERT- 'THE QUEST FOR CHORDS'

**'Where words fail, music speaks'.**

'The Quest for Chords'- a musical adventure adapted from Dream-Works Animation was put up by the students of Classes UKG, 1 and 2 on Wednesday, 11<sup>th</sup> October 2023. The auditorium was filled with enthusiasm and thrill.

A total of 330 children took us on a magical quest to the different musical tribes across the world. The audience were captivated by the terrific acting performance, scintillating music accompanied by the agile and graceful dances and some poignant singing by the choir.

The performance charmed everyone through various genres of music like Country, Pop, Classical, Techno, Funk and Rock. It helped to drive home the message about the importance of diversity in thought, musical taste and cultural preferences.

The dialogues and scenes interwoven with song and dance sequences were well formulated by the script writers. The props and the stage décor were truly exquisite and most valuably contributed to the success of the event. The piranha platform and the hot-air balloon were a visual treat indeed.

The unconditional support and guidance received from the Heads of our school motivates and encourages us to give our best.
