*"Words are our most inexhaustible source of magic."
- J. K. Rowling*

Writing is beautiful, because it creates empathy and connects us all as human beings, despite our broad range of experiences and beliefs.

The Bishop's Co-Ed School, Undri (JC) is proud to mention that **Deethi R Gandhi, from Class XII Commerce**, a student possessing a unique versatility and flair for English, won a **Gold Medal at the National Level** in the **21st All India HOPE Talent Contest**.

Her affinity for expression, a sensitive use of language impelled Deethi to bag the First Prize at the **Imaginarium Inter-school/college Literary Fest in the Inter-college Essay Competition**.

Weaving her creative pursuits into the panache of montages and memories, she owns a **YouTube Channel: "Deethi R Gandhi"**, encompassing the essence of 'Metamorphosis- a Melange'.

Furthermore, Deethi has embarked on the process of publishing books authored by her. We wish her luck and pray that all her endeavours shine with the light of creativity, diligence, and excellence.
