A REPORT ON THE ANNUAL CLASS PICNIC OF CLASSES 6 AND 7 TO ADLABS IMAGICAA

"It is always the short breaks in between studies that are most soothing and enjoyable." After a busy schedule of studies, our school decided to give the students the finest break they wished for a trip to the Adlabs Imagicaa Amusement Park. The picnic was organized for the students of classes 6 and 7 on January 30, 2024. The students were all set to have an exciting day out with their friends and teachers. Students reported to school at 7 a.m. to their respective class teachers for their attendance. Our principal,

Mr. Ashley Eates, led us in a word of prayer. At around 8 a.m., the entire team of students and teachers left the campus in their respective buses that were arranged by Team Adventure. On their trip to the theme park, the children enjoyed singing and dancing with their classmates. Two and a half hours flew by in the blink of an eye. Snacks were distributed on the bus.

We arrived at Imagicaa at 10.30 a.m. and were served a delicious breakfast of idli, sambhar, upma, chutney and frooti. The majority of the students then rushed to their favourite rides, including the Nitro, Scream Machine, Dare Drop, and Gold Rush. Others competed against Mr. India, I for India, Salingarh, and Alibaba aur chalis chorr. Photographs were taken with enthusiasm, capturing each student's thrill, excitement, and joy on their faces. A scrumptious lunch of Pav Bhaji, Fried Rice, and Manchurian was served around 1.30 p.m., followed by chocolate ice cream. After lunch, a large group of students went on some more rides, including Rajasaurus and Deep Space. Finally, after a fun-filled day, it was time to leave the venue at 4.30 p.m. The volunteers from Team

Adventure offered our students finger-licking burgers on the bus ride back to school. Everyone enjoyed the return ride, which included song and dance. They were all overjoyed to have spent quality time with their buddies. The buses arrived at the school at around 7.45 p.m.

Our students expressed gratitude to the principal and headmaster for organizing such a memorable and fantastic day out, and they hoped for more thrilling picnics in the near future. In addition to the various souvenirs, they brought back fantastic memories of all the fun and excitement. Their dazzling faces were a witness, and they all returned home safely to their parents.

ANNUAL CLASS PICNIC
TO IMAGICAA
CLASSES 8 AND 9

"PICNICS: WHERE THE SUN IS BRIGHTER, THE LAUGHTER IS LOUDER, AND MEMORIES ARE MADE."

The Bishop's Co-Ed School Kalyani Nagar, January 24, 2024: Our school organized an exciting and memorable picnic at Adlabs Imagica. The purpose of the trip was to provide students with a day of fun, relaxation, and camaraderie outside the academic environment. Adlabs Imagica is a popular amusement park offering a wide range of thrilling rides, entertainment shows, and recreational activities.

The students gathered at the school premises at 7 am where teachers and staff conducted a brief orientation about the day's itinerary, safety guidelines, and expectations. The buses, arranged for transportation, departed promptly, ensuring a smooth journey to Adlabs Imagica. The arrival at the park was met with enthusiasm and excitement from students and teachers alike.

Adlabs Imagica provided an array of exhilarating rides and attractions suitable for all age groups. Some of the popular rides included Nitro, Scream Machine, and Dare Drop and the students thoroughly enjoyed the adrenaline-pumping experiences.

The safety of the students was a top priority throughout the excursion. Teachers and staff ensured that students followed safety guidelines and rules while enjoying the rides. Emergency procedures were communicated, and designated meeting points were established in case of any unforeseen circumstances. First aid kits were readily available, and teachers remained vigilant to address any health or safety concerns promptly.

A designated area within the park was allocated for lunch, where students were provided with meals.

The school ensured that the meals were nutritious and suitable for all dietary preferences. Students had ample time to enjoy their lunch, socialize with friends, and recharge for the rest of the day's activities.

The school picnic at Adlabs Imagica was a resounding success, providing students with a day filled with excitement, adventure, and memorable experiences. The trip not only served as a recreational outing but also fostered a sense of camaraderie and bonding among students and teachers. We express our gratitude to the school administration for their meticulous planning and execution of the event, ensuring the safety and enjoyment of all participants. We look forward to more such enriching experiences in the future.
