

THE BISHOP'S CO-ED SCHOOL, UNDRI
REPORT ON THE COOKING COMPETITION-SCOUTS AND
GUIDES

"Learning is experience. Everything else is just information."

"Cooking with kids is not just about ingredients, recipes, and cooking. It's harnessing imagination, empowerment, and creativity." Cooking can happen even without fire. A "Fireless Cooking Competition" was held on 14th August 2023 for the Scouts and Guides of the Junior Section.

Participants exhibited a wide array of innovative cooking techniques that captivated the attention of one and all. The cooking competition was evaluated based on a criteria that included taste, presentation, creativity and overall execution. The dishes prepared by the contestants were a feast for both the eyes and the taste buds.

The chief guests for this occasion were none other than our Principal Mr. Julian Luke and our headmistress Mrs. Melissa Fernandes. They interacted with the culinary chefs to find out the ingredients of the recipes, nutritional value and the significance of the menu prepared by them. They appreciated each and every contestant for their creativity.

The judges Mrs. H. Shaikh, Mrs. S. Pillai and Mrs. J. Lai were impressed by the contestants' ability to think outside the box and create dishes that were both innovative and delicious. They praised the contestants for their attention to detail and their use of fresh, high-quality ingredients. They had a tough time deciding the winners, as all the contestants had prepared outstanding dishes. The first position was bagged by **Guides – Patrol 3** and **Scouts – Patrol 1**.

The event not only provided a platform for the students to foster their creativity and decision-making skills but also helped them explore their hidden talents and discover new areas of interest. Overall, the cooking competition was a memorable experience that left a lasting impression on all those around.
