INTER-CLASS SPELL BEE COMPETITION

2023-2024

The Inter-Class Spell Bee Competition for class 5 was held on a crisp Thursday morning on the 11<sup>th</sup> of April, 2023 in the Lorna Roberts Hall. There were two participants from each section representing their class after making it to the finals through a well-planned elimination round held in their respective classes. They were super excited and confident as they had been tutored on the respective rounds by the quizmasters in the week leading up to the finale. This was also the first year that our class 5 second shift batch contestants were introduced and were participating in the Spell-Bee Competition.

The competition was conducted by the quizmasters Mrs. Mercy James and Mrs. Musarrat Khan ably assisted by Mrs. Prajakta Nargide.

Our competition was initiated by a word of prayer by our Headmistress Miss. Mayura Barsay and was followed by an introduction of the participants and spelling out of the rules of the competition. The participants representing their classes were as follows-

5A-VIVAN KHATRY, VEER DANDEKAR

5B-RIVAN TIBREWAL, LAI HUZAIHFA LOKHANDWALA

5C-AARYAN PRADHAN, YUG SANGHVI

5D-ETHAN JOSEPH, SAI SASTE

5E-KYRAN JOBIN, RHYTHM POONAWALA

Second shift 5A-SRIJIT MAJUMDER, HRISHIKESH VYAS

The contestants battled it out for over an hour over 9 rounds. A plethora of heterogeneous rounds be it spelling the words correctly, memorizing and spelling different words, identifying and spelling out phobias, occupations, homophones, antonyms or racking their brains to identify the words related to information and technology, brought out the best in the children. The rapid-fire round was a roller coaster ride for a few thus turning the tables in the final scores.

The results were declared by our Headmistress Ms. M. Barsay. It was finally the contestants of class 5A who emerged victorious grabbing up the first place followed by class 5D in second place and 5C in the third place. Our audience of

class 5 students cheered on their classmates throughout the intense and exciting competition. It was a healthy, positive and an enjoyable experience for all.
